Students' Representative Council

Resolution No. 152-17

Being a Resolution to Encourage the Use of Reusable Plastic Water Bottles and Hot Beverage Containers at Council and Committee Meetings

Whereas the 2017/2018 ASU Executive Vision Statement aims to promote, "a sustainable, respectful Acadia community";

Whereas non-reusable plastic water bottles and non-reusable hot beverage containers contribute to the excessive consumption of natural resources and solid waste;

Whereas alternatives to non-reusable beverage containers are widely available to purchase on and near the Acadia University campus;

Whereas Acadia University's 2006 Strategic Plan commits the university and its members to: "aspire to create a deep appreciation of our natural environment and an active commitment to sustainability";

Whereas Council deems it expedient to adopt a resolution to demonstrate its commitment to environmental sustainability and stewardship;

Therefore Be It Resolved That the Students' Representative Council of the Acadia Students' Union hereby enact as follows:

1. **That** the use of reusable plastic water bottles and hot beverage containers by Members of Council at Council and Committee meetings be strongly encouraged and recommended.
2. **That** this resolution shall come into full force and effect upon its passing thereof.

Enacted and Passed this 26th day of September, 2017.
